Summer Camp Enrollment Form

Summer Camp at Step by Step, Paso a Paso is filled with fun and engaging activities to help instill a love of learning and exploring, all while being immersed in the Spanish language. Our program is based on a 50/50 model with one teacher speaking in English and one speaking in Spanish. Your child will enjoy activities that are based on our weekly theme as well as interact on a daily basis with our school animals. Our curriculum is a great balance of play, differentiated curriculum, and conceptual learning that is age-appropriate. You pack the sunscreen and a bathing suit as we offer water play activities and leave the rest to us!

Kindergarten Readiness Program- If your child is entering kindergarten, he or she will be immersed in our kindergarten readiness program. Concepts such as letter sound association, number concepts up to 20 and beyond, letter formation, pencil grip development, and learning how to use kindergarten paper will be taught. This workshop is taught in English. Please keep in mind that consistency is key. The more weeks your child attends, the more he/she will get out of the program.

Schedule Options- We are offering three schedules: **1.** Monday through Friday, **2.** Monday, Wednesday, Friday, **3.** Tuesday and Thursday. Please circle the school you are enrolling for and indicate your desired schedule by placing an X in the box on the days you would like your child to attend. Circle either half-day morning, half-day afternoon or full-day option. Please note that enrollment is based on a first come, first served basis. I will confirm summer camp enrollment 3 days after your form has been handed in.
